

**CANDIDATE FOR CITY COUNCIL MEMBER
CITY OF HESPERIA**

NAME: RITA K. VOGLER

AGE: 58

OCCUPATION: Hesperia City Councilmember

Dear friends: My city council service since 2002 has been challenging.

I'm happy that we accomplished a new library, overpass, and city hall and encouraged open public discussion on many issues. I am frustrated at the lack of progress in public safety and housing. I fought to keep our Fire Department and retain Sheriffs.

My vision is protecting family values. We cannot continue to build at the rate of 6-10 homes per acre with the existing infrastructure and public safety, without inviting overcrowding, conflict between neighbors, and a loss of the sense of who we are and our communities beauty.

My city council assignments have included the Public Safety Committee, League of California Cities, Victor Valley Transit Authority, MDAQMD and the Chamber of Commerce.

A 40 year marriage, two great children, and serving Hesperia since 1972 demonstrates my dedication. My goals for 2006-2010 include:

- Increased public safety and a functioning 911 number
- Stop double charging residents for water
- New street pavement, Ranchero Rd. underpass, and general plans
- Open and **honest** City government

Help Hesperia by re-electing **RITA K. VOGLER** to the city council on 11-07-2006 and remember, mail absentee ballots. THANK YOU!
